

Hoskins' Praise & Prayer Update

November-December 2006

*Let me know Your paths, O LORD;
teach me Your ways;
guide me in Your true way and teach me,
for You are God, my deliverer;
it is You I look to at all times. Ps 25:4-5*

Praise & thanksgiving for:

Sofia's good performance in the translation course.

Specific prayer to know:

... **how** Dale can effectively manage a translation program at a distance. The team moved to Kilifi last year.

... **whether** to retain Mahamud, or else **how** to help him improve.

... **who** will replace Dale to manage the Orma team. We are seeking a Kenyan with qualifications of an overseer (1Tim3), and a heart for Ormas. We know of no Ormas who meet these criteria, so we seek someone from a related tribe. Pray he comes before we leave in July.

... **where** to live in America during our home assignment. We no longer own a house or vehicle.

... and **please pray** for Orma believers who are struggling in their faith and suffering persecution.
